

First name:	Surname:	What motivated you to put yourself forward for election to the Branch committee?	What qualities, skills and experience do you think you'll bring to the Branch committee?
Chi Ming	Cheung	I have been a committee member for Greater Bay Area Branch since 2021. I enjoy working with the committee to promote and exchange experience in Project Management. I have been in this field for over 20 years and I hope my experience can help the industry and those who have passion in Project Management.	I have been working in the power industry for over 20 years, involving mega project engineering and construction, project management and governance.
Ping	Choy	I joined Greater Bay area branch last year. It is a good experience to work with the team. I learnt a lot from the committee member and have a clearer direction on my career path on project management.	Apart from the social media manager role helps the GBA branch to promote APM and project management on social media. Now I am a qualified APM exam trainer. I can provide more information and guidance to students who are interested in the PFQ, PMQ and PPQ exam.
Wai Pan	Lam	I have been joining the APM (Hong Kong) and APM (Greater Bay Area) Committee in the past few years. It is my honour and great opportunity to learn from Chairman and other committee members and assist various programs to see the growth and development of APM in Hong Kong and now Greater Bay Area.	1). Project Management - MAPM, PMP, Prince 2, APMG-Agile, Certified Scrum Professional, Certified NEC 4: ECC Project Manager, HKGBC BEAM Professional. 2). Building & Construction - Architect, Authorized Person, Development Bureau ANB Adjudicators, Project Management Professional, MAPM 3). Committed to promote the vision, objectives and best practices of Project Management by APM in Greater Bay Area - China and Hong Kong and Macao in my networks.

Jim	Pippin	I would like to continue in my role as Chair for 2022/23 in the Greater Bay Area Branch to provide a platform for project management professionals in Hong Kong to share knowledge and learnings and strengthen the community of Project Management.	I am a Fellow of APM, have been the Chair of the Greater Bay Area Branch since 2020, and have more than 30 years in Project Management experience.
S S	Wong	Over the last few years, I provided support and oversight for the major projects in CLP Group. I worked closely with the Director – New Build & Technology/Group Operations of CLP Holdings on developing the CLP Group Project Management Governance System and the Project Management Academy. The CLP Group Project Management Governance System Standard was issued in 2015 for the Group to follow. I conducted total more than 50 sessions of training in Hong Kong, India, Australia and China for more than 900 colleagues to let them to understand the requirements of the CLP Group Project Management Governance System Standard. My experience in the last few years let me understand project management really is a professional. I would like to take part in the Branch committee of APM in order to help to establish project management as the recognised profession essential for managing beneficial change in every type of business.	I have experience of conducting training about project management governance and basic project management principle. Which should be useful for the promote of project management in the industry sectors as well as the University and Education Institutions in Hong Kong.
Josephine	Wong	The need to share and promote project management	Being secretary for 2 terms in GBA branch.

Tak Yun Joe	Wong	<p>I have been serving the local branch in Hong Kong since 1998 as Committee Member, Membership Secretary and Treasurer. Currently, I am the Treasurer, and also an APM Examination Invigilator. I attend regular committee meetings and contribute events. My firm commitment of the development of the PM profession coupled with my self-motivation encourage me to join the committee. After many years on the Branch Committee, I am still eager as before to encourage student members and young APM members to build a strong PM community in Hong Kong and other Greater Bay Areas.</p>	<p>I have 52 years of working experience in the public and private sectors. I joined the HK Government in 1970 and retired in 2005. In the Government, I mainly carried out consultancy studies as a management consultant. I conducted my MPhil and PhD studies in HKPolyU thereafter, followed by some years of working in a building contractor as a PM Adviser. I have then been a part-time lecturer in Hong Kong Institute of Construction for four years up to the present. Against this background, being Fellows of APM and RICS, and professional members of HKIS, HKICM and EuroIE, I wish I could bring the HKSARG to recognize that APM is the global standard to build a more professional PM community. Further, I am keen in current on-line discussion concerning APM qualifications to university and diploma students.</p>
